

Monsignor Farrell Scholarship Fund

The Monsignor Farrell Scholarship Fund helps St. Leonard families during times of need.

St. Leonard School is committed to making a Catholic education available to as many families as possible. This includes assisting our current families with tuition assistance during times of crisis.

Why should I contribute?

Monsignor Farrell was a humble man who loved St. Leonard Parish and the families who worked hard to send their children to our school. He made it his mission to help as many families as possible attend St. Leonard School. We carry on that tradition by building the Scholarship Fund and providing support to our school families during times of need.

The St. Leonard community is extremely wealthy in terms of faith and family, so it's only natural that we share our riches with every family we can, especially in times of need.

How can I help?

Contributions to the Monsignors Farrell Scholarship Fund can be made at any time through the school or parish offices. To sustain the fund in the future, many families also choose to designate funds in their wills or financial endowments.

Beyond direct contributions, the St. Leonard School Board sponsors **HoopsMania** to replenish scholarship funds. HoopsMania is an annual sweepstakes based on college basketball's national championship tournament.

HoopsMania offers an easy way for every family to help replenish the Monsignor Farrell Scholarship Fund.

For more information about the Monsignor Farrell Scholarship Fund, contact the school office.
