

St. Leonard Summer Reading Program – Summer 2018

2nd Grade

The 2nd graders will be required to read at least two books during the summer. One book will be required for all incoming 2nd graders, and one (or as many other books the 2nd graders choose to read) may be chosen from the list below.

Please add to the reading log after finishing each book.

The required book for ALL 2nd graders is Herbie Jones Sails into Second Grade by Suzy Kline. After this book is read, the story map attached must be filled out that goes along with the book.

The reading log, story map, and project are all due on the first day of school!

Let me know if you have any questions!

1. **Skippyjon Jones** by Judy Schachner
2. **Henry and Mudge** (series) by Cynthia Rylant
3. **Magic Tree House Books** (series) by Mary Pope Osborne

24. **A-Z Mysteries** (series) by Ron Roy

Future 2nd Graders
St. Leonard Summer Math Program – Summer 2018

Future 2nd Graders summer Math goal: Practice IXL for hour each week in MATH.

We've used IXL to reinforce our curriculum this year, and your child will continue to have free access to the online program over the summer!

Have your child sign in to their IXL account throughout the summer at www.ixl.com! Students should keep track of the days and amount of time they worked on IXL, and jot down the skills they practiced!
